We SEEALL the World Has to Offer

March 19, 2020

Dear Parents/Guardians,

Greetings and I hope this letter finds you well.

The past few weeks have presented us with some uncertainty and unique challenges. Rest assured that we are doing everything possible to maintain a sense of normalcy for our children.

During this past week, teachers have been setting up Google Classroom to be used as our primary instructional platform, designing engaging instructional tasks, and presenting opportunities for unique virtual learning experiences. My hope is that with your support students will be actively engaged with the rigorous tasks that the teachers have assigned.

Rest assured that learning does not stop, but rather continues through our remote learning action plan. For this reason, now more than ever, we need your partnership and support. We need your help to ensure that students are actively completing instructional tasks during the school day.

Student/Family Expectations:

- Students should complete instructional activities assigned by teachers within the expected timelines.
- Students should participate in check-ins, discussions, and other communication mechanisms as expected by the teacher.
- Students should review teacher feedback and complete any follow-up activities as assigned by the teacher.
- Students and families should proactively notify their teacher or a school administrator school with any concerns about progress or additional support needed.
- Families should support students in being successful by establishing routines and habits that support their success in remote learning.
- Families should ensure that students are adhering to their school's contract for appropriate behavior on web enabled devices.

Should you need any type of assistance, including log-in information, questions, or concerns, please contact our Parent Coordinator, Ms. Ferguson at 914-363-0344.

In solidarity we remain strong throughout this difficult time.

Respectfully,

Angelo J. Sacco
Principal I.A.
