**School Vision and Mission**

At The SEEALL Academy, we believe all children come first and can succeed. Teaching and learning are grounded in a standards-based curriculum that combines creative instruction with the social emotional supports necessary to ensure high expectations for all students.

As we walk through these doors we are all equal. We are all here to learn and exceed expectations. We will take risks and view mistakes as opportunities to grow. During this journey together we will help each other become the best that we can be. Together we can achieve greatness.

**The SEEALL Philosophy**

The philosophy of Students Educationally Enriched As Learning Leaders (SEEALL) is that all students are active learners and participants in the educational process. Leadership qualities are promoted and shaped through cooperative and collaborative learning, individual and group presentations, public speaking, and ongoing autonomy in all curriculum areas, including the Arts and Technology.

During inclement weather, students in grades five through six will assemble in the third floor gymnasium and students in grades seven and eight will assemble in the dining hall. Seventh and eighth grade students will be permitted to visit their lockers before period one.

## **Dismissal**

**Pre-Kindergarten through Grade Five:** Students are dismissed at 2:30 PM in the schoolyard by their classroom teacher. (K-1 in the “well” area, 2-5 through the auditorium exit). Please arrive early for dismissal pickup. In the event that a parent/guardian is late, school safety personnel will direct parents/guardians to the family room.

**Grades Six through Eight:** Sixth grade students are dismissed at 2:30 PM into the schoolyard through the 56th street exit, while seventh grade and eighth grade students exit at 2:30 PM through the main lobby entrance and 57th street exit.

**Bus Students:** Children are picked up from their classrooms and brought to the auditorium or dining hall. They will be arranged by bus group and escorted directly to their bus by school staff members.

Please be on time to meet the bus at your child’s bus stop. Attempt to meet other parents/caregivers/guardians at your child’s stop and exchange contact information. If no one is at the stop for pick up, the child will remain on the bus until the driver can return the child to school. If school personnel are no longer at the school, the driver will take the child to the 66 Police Precinct located on the corner of 59th street and 16th Avenue.

If your child is not going to ride the bus on a particular day, a note must be sent to school requesting that your child not ride the school bus on that day. Verbal communication requesting this **will not** be accepted. Only **written communication** will be accepted.

### **School Policy On Sporting Equipment Outside of Gym Time**

School policy states that sports equipment such as basketballs, soccer balls, and footballs are not permitted in school as well as not to be used during lunchtime and after school hours. Our schoolyard will be closed daily at 3:00PM for afterschool programs.

**Early Dismissal:** A written request from the parent/guardian must be sent to the classroom/homeroom teacher to ensure adequate notice and preparation for dismissal. A parent or guardian must be present for the release of his/her child from the school by signing them out in the main office. Have your child's official class number/homeroom so he/she can be easily located. **IN CASE OF AN EMERGENCY OR IF A CHILD IS SICK, STUDENTS WILL ONLY BE RELEASED TO A PERSON OF LEGAL AGE WHO IS LISTED ON THE EMERGENCY BLUE CARD AND PRESENTS PROPER IDENTIFICATION. A STUDENT CANNOT BE PICKED UP FOR EARLY DISMISSAL BY ANYONE OTHER THAN THE PARENT/GUARDIAN UNLESS IT IS AN EMERGENCY OR IF THE CHILD IS SICK.**

If a parent or guardian would like to sign their child out following a school function, it is mandatory that the parent/guardian sign the child out in the main office.

### **LATENESS**

Lateness to class has a negative impact on the educational process. Students who arrive late lose valuable instructional time and interrupt meaningful classroom instruction. Please plan to arrive early.

When a student is late, an automatic phone call will be generated to the telephone number on file alerting the parent/guardian of this lateness. Any student who arrives late due to the school bus will be marked as an excused lateness.

If a student is late, the Parent/Guardian must provide a note explaining the reason. Excused lateness requires official documentation from a court office, MTA office, or other official document.

**Pre-Kindergarten through Grade Five:** Elementary students who arrive after 8:10 AM must enter through the main entrance, sign in, and receive a late pass. They will proceed directly to their class, and submit the late pass to the classroom teacher. Students who arrive at school after 8:10 AM will be marked late. Students who arrive to class/lineup after 8:10 AM will be marked late.

**Grades Six through Grades Eight:** Students who arrive after 8:10 AM must enter through the main entrance. They must sign in and receive a late pass. The student will bring the pass to the main office and notify a secretary. Students who arrive at school after 8:10 AM will be marked late, Students who arrive at homeroom after 8:10 AM will also be marked late.

*An excessive amount of unexcused student latenesses can affect a student being permitted to attend school trips and/or school functions and events.*

## **ABSENCES**

When a student is absent, Parents/Guardians are required to contact the school by 8:00 AM. Please report your child's absence to the attendance office at 718-851-8070 ext. 2003. Absent notes are required in addition to the phone call. **All absence notes must be submitted to the classroom/homeroom teacher on the day that the student returns to school.**

In order to maintain progress with classwork and assignments, all students are asked to consult their teacher's webpage, google classroom, or contact a classmate in the event of an absence. It is the student's responsibility to complete missed assignments during their absence to the best of their ability. It is the student's responsibility to ask what was missed and what make up work is required. When a student is absent, a phone call will automatically generate to the telephone number on file alerting parent/guardian of this absence.

Doctor or dental appointments should be scheduled for after school or on weekends. The tentative yearly calendar can be found at [www.schools.nyc.gov](http://www.schools.nyc.gov) to ensure that appointments and vacations are not scheduled for days when school is in session.

*An excessive amount of unexcused student absences can affect a student being permitted to attend school trips and/or school functions and events.*

## **Visitor Procedures**

Visitors must enter and exit the building through the main entrance. All visitors must sign in and out with school safety. Proper photo identification is required. Visitors will not be allowed into the building without the proper identification. **No child/children will be released to a person not listed on the blue Emergency Contact Card.** Visitors are issued a pass which must be visible at all times.

**At no time should a student open an exit door to admit an individual or a group.**

## **WELCOME PACKET-BEGINNING OF THE YEAR FORMS**

It is important that each year parents/guardians complete, sign and return the following documents:

- Three Blue Emergency Cards
- Dismissal Pick Up Form
- Lunch Form (Completed and signed form is mandatory unless online application was completed. Application can be completed at [www.myschoolapps.com](http://www.myschoolapps.com))
- Signed Media Release Form (Can be completed on [www.mystudent.nyc](http://www.mystudent.nyc))
- NYC Discipline Code and Behavioral Contract (Signed by the student and parent/guardian)
- Internet User Form
- Digital Equity Form

**These documents can also be completed on your NYC Schools Account.**

### **EMERGENCY CONTACT CARDS (BLUE CARDS)**

Each student must have an emergency contact card on file in the main office. You will receive three blue cards in the welcome packet at the beginning of the school year. Parents or guardians must complete, sign and return the three blue cards to the classroom/homeroom teacher immediately. We encourage you to also update your emergency contacts on your NYCSA each year. ([www.mystudent.nyc](http://www.mystudent.nyc))

The information on the card must always be accurate and current. If you change your address or phone number please notify the school that you will need to complete new ones. This is especially important for the middle school and high school process.

**YOUR CHILD WILL ONLY BE RELEASED TO PARENTS/GUARDIANS (OR OTHERS LISTED ON THE BLUE CARD IN THE EVENT OF AN EMERGENCY OR SICKNESS) THAT HAVE THE PROPER IDENTIFICATION.**

### **EMERGENCY DRILLS**

Evacuation drills, i.e. fire drills, lockdown drills and shelter in drills will be conducted throughout the school year. All students and teachers must be familiar with the school's emergency procedures. Printed copies of these procedures are posted in every classroom.

### **NEW SEPTEMBER 2024**

Parents will be notified of emergency drills seven days in advance. If a drill is canceled due to weather or emergency situations that arise during a school day, parents will be notified in GAMMA Messenger that the drill was not conducted and it will be rescheduled for the next available school day.

### **LUNCH FORMS**

We encourage all parents or guardians to complete the lunch application online at [www.myschoolapps.com](http://www.myschoolapps.com). alternatively , students will receive a lunch form in September from the classroom/homeroom teacher. Parents or guardians are required to complete the form and return it to school in a timely manner. Once the application is received, it is forwarded to School Food Services for processing. **The SEEALL Academy does not retain any information provided on the application.** Although all students receive free lunch, a lunch form must be completed for each family, even if the student brings lunch from home. The lunch forms determine the school's eligibility for Title 1 funding.

### **LUNCHEES AND DINING HALL**

Neither food nor beverages are to be taken from the dining hall. Students are expected to act in a responsible manner while using the dining hall. To ensure neatness, all students are expected to clean papers and food from the table area used. It is imperative that the dining hall and the school be kept

clean. Students may be directed to assist dining hall staff in maintaining cleanliness of the dining hall and are to respond in cooperative spirit. All trash and recycling are to be deposited in the receptacles provided. Chromebooks are not permitted to be out during lunch.

Please make sure your child has his/her lunch when coming to school. It is very disruptive to the learning process to call children out of classrooms to come to the office to pick up their lunches. Please clearly label your child's lunchbox with his/her name and grade. **GLASS BOTTLES ARE NOT PERMITTED.** Parents/Guardians are not permitted to bring special lunches (Burger King, McDonalds, etc.) to their children at lunchtime.

### **BIRTHDAY PARTIES**

Birthday parties in grades Pre-Kindergarten through grade five must be requested for approval in writing to the classroom teacher and await approval. The teacher will then discuss with the Parent/Guardian the details for the party that complies with Chancellor's Regulations. **Parents/Guardians may not send in favors or goodie bags.**

### **MESSAGES FOR STUDENTS**

Except for EMERGENCIES or alternate dismissal plans, the school will not excuse students from class to receive or make phone calls. Please do not ask us to relay a message during classes to a student, unless it is an emergency or if it pertains to an alternate dismissal plan.

### **MONEY**

Money that is brought to school for a specific purpose (class trip, bake sales, etc.) must be put into an envelope with the child's name and class on it. If a student does bring money to the school, the money should be personally kept and not left in the schoolbag, coat pocket, lunch box, or desk. The school is not responsible for lost money.

### **MEDICATIONS**

A Medication Administration Form (504) is required for any student who needs any medication during the school day. The completed form must be submitted directly to the school nurse. The medication is to be brought to the school nurse and kept there. A written statement from the Parent/Guardian requesting administration of the medication in school as ordered by the licensed prescriber is also required.

Medication must be presented in a properly labeled container. Prescription medication must be in the original container. On the prescription medication, the pharmacy label should display:

- Student name
- Name and phone number of the pharmacy
- Licensed prescriber name

- Date and number of refills
- Name of the medication and dosage
- Frequency of administration

### **CHILD ABUSE LAWS**

Under NYS law, school personnel are legally mandated to report suspected cases of child abuse or neglect to the New York State Central Register (SCR) of Child Abuse and Maltreatment.

### **CHILD CUSTODY**

At the time of school entry or at any other time where a change in custody status/arrangements occurs, it is the responsibility of the parent (s) to provide the school a copy of the legal document from the parent for any student for which there is a legal custody agreement or for any student not residing with his/her parent.

School communication with the appropriate guardian is essential. Accordingly:

- Custodial parents must identify in writing other adults who may have access to the information regarding their child.
- Non- custodial parents may receive information (when requested) regarding the child unless specific documentation to the contrary is provided in the legal custody agreement.
- Non- custodial parents may pick up a child only if written permission has been granted by the custodial parent and verbal communication from the main office to that custodial parent confirming the request.

### **CUTTING CLASS/TRUANCY**

If a student cuts class or is a truant, his/her parents/guardian will be notified and must come to the school to meet with a dean. The student will be given consequences pursuant to the NYCDOE Discipline Code.

### **DISCIPLINE CODE**

The Citywide Standards of Intervention and Discipline Measures (the Discipline Code) provides a description of unacceptable behavior, called infractions. It is the responsibility of the parents/guardians and students to read the Discipline Code.

The Discipline Code can be found online at:

<https://www.schools.nyc.gov/school-life/rules-for-students/discipline-code>

*An excessive amount of student incidents/suspensions/growth lunches can affect a student being permitted to attend school trips and/or school functions and events.*

## **BULLYING**

Bullying is unacceptable and will not be tolerated at the SEEALL Academy. All reported incidents will be immediately investigated to determine the scope and severity of the behavior, identify the violator(s), evaluate the harm to the victim(s), and determine the disciplinary and corrective action. Making fun and calling others names based on physical attributes, looks, race, religion, or physical and mental ability is bullying and will not be tolerated. This includes cyber bullying. Cyber bullying is any harassment that occurs via the internet, social media, texts or cell phones. Vicious post and name calling, posting fake profiles on websites, and mean or cruel email messages or text messages are all ways of cyberbullying. As a school community, we seek the highest consequence allowed by the DOE for a first time bullying infraction.

## **LOCKS AND LOCKERS**

The Middle School Assistant Principal will assign students in grades seven and eight a locker. These are not to be changed without permission. Students will be required to bring their own lock. All students are reminded to be extremely security conscious. All students should make sure the door of their locker is locked. Students should never leave valuables anywhere in the school unattended. While the school assumes no liability for articles left in the school or missing from lockers and classrooms, any missing articles should be reported to a dean as soon as possible. We strongly urge all students to leave jewelry at home and only carry the cash necessary to get them through the day.

Since all lockers are the property of the SEEALL Academy, the school safety officers have the right to inspect school lockers if there is reasonable suspicion or probable cause of a crime.

Students are to keep their lockers in good order. They are not to deface or alter their lockers in any way. If a locker does not operate correctly, this matter should be reported to a dean so repairs can be made as soon as possible.

Students may only access their lockers before period 1, at lunchtime, or at dismissal.

## **PARENT TEACHER ASSOCIATION**

Parental involvement plays a crucial role in your child's education. Parents/Guardians are strongly encouraged to join the PTA and volunteer in as many events as possible. A suggested contribution of \$10 is requested to support school events.

The 2024-2025 PTA Executive Board consists of the following:

President	Miriam Polanco
Vice President	Jackie Huang

Scheduled parent conferences allow teachers and Parents/Guardians to discuss student achievement and develop a plan to assist students in areas of difficulty. A parent/guardian may request a meeting with a teacher at any time by sending in a note to the teacher and in turn, the teacher will arrange a meeting at a mutually convenient time. Notebooks and typed assignments are required to have a proper heading:

**The SEEALL Academy**  
**Class**

**Name (First and Last)**  
**Date**

Elementary school students should use pencil for classwork and homework, and pen when directed.

Middle school students should use black ink for all classwork and homework with the exception of mathematics.

Teachers may have different procedures or methods for listing homework assignments, collecting work, or distributing books. It is your child’s responsibility to know these procedures and follow them.

**REPORT CARDS AND GRADING POLICY**

### **Homework**

Homework will be assigned daily. It is the responsibility of each individual student to record homework assignments as dictated by the teacher and/or posted on the board. If a student is absent, he/she must determine which assignments were missed and then complete them. Students can speak with the guidance department for suggestions on arranging a time management schedule for after school work and extracurricular activities. Parents/Guardians should actively monitor their child's homework to ensure it is brought home and completed.

Please note:

- Students are expected to complete all assignments on time.
- Students are expected to record all assignments as written or dictated by their teachers in class.
- Credit for work that is required to be completed at home is recorded and reflected as both Major Assignments and Minor Assignments.
- Important components of homework are studying and preparation. Students are expected to review their notes and complete all reading assignments in preparation for upcoming tests, quizzes, projects and other connected assignments.

### **Late Assignments**

- Students will not be permitted to make up assignments at the end of a marking period to raise their grade. Allowing students to do this fails to teach the valuable lesson of responsibility, and lacks to reinforce the skills learned in class in a timely manner.
- Students with excused absences will receive full credit for assignments made up in a timely manner.

### **Extra Credit Assignments**

Teachers may allow students to complete **extra-credit assignments** throughout the marking period.

### **PLAGIARISM AND COPYING**

Plagiarism and copying are forms of **cheating** and are prohibited by the **Discipline Code**. Cheating is unacceptable. Plagiarism is when you use someone else's words or ideas and pass them off as your own. It is not allowed in school, college, or beyond, so it is essential to learn the proper way to use resources, such as websites, books, and magazines. Cutting and pasting sentences, paragraphs, articles and pages from the internet and calling one's own work is plagiarism. If students use someone else's words they must give them credit. Your child will be taught how to do this. Copying another student's work is a form of plagiarism. Students are expected to do their own work and present their own original ideas. If it is determined that student work has been plagiarized, disciplinary action will be taken. Students may be asked to redo their work, or they may not receive credit.

In the middle school, the following consequences for plagiarism will be enforced:

**1st offense**

3 days growth lunch and an automatic 10 point deduction upon timely submission of new assignment

**2nd and future offenses**

5 days growth lunch and an automatic ZERO for the assignment

\*Plagiarism may also result in a Principal's suspension depending on the severity/level.

**ELEMENTARY SCHOOL HONOR ROLL**

**Grade 1**

**Gold Honor Roll**

Attain a “3” or “4” rating in work habits and personal and social development areas

### **CELL PHONES AND ELECTRONICS**

**\*NEW September 2024\***

The SEEALL Academy, in collaboration with the School Leadership Team (SLT) has established its policies governing student use of electronic devices (cell phones, computing devices, portable music and entertainment systems). Please do not call students cell phones during school hours. Parents should call the main office if there is an emergency and they need to reach their child at any time.

All middle school students will keep their cell phones and smart watches locked in a Yondr pouch from when they enter the building through the end of the school day at dismissal. Students will lock their devices away as they enter the building and unlock their Yondr pouch at their dismissal door upon leaving. Students will bring their Yondr pouch to and from school and are responsible for them.

\*There will be a fee of \$25 for lost pouches and attempting to break or destroy the pouches will result in disciplinary action as per the discipline code. The discipline code will be enforced if any student is caught

with an open pouch during the school day, with another student's Yondr pouch, or if a student is found to have tampered or attempted to damage their Yondr pouch. Yondr pouches are school property.

As stated in Chancellor's Regulation A-413, students are permitted to be in possession of cell phones, laptops, tablets, iPads, and other similar computing devices, and portable music and entertainment systems; however, it is The SEEALL Academy's policy that these devices are not permitted to be turned on or used on school property unless authorized by a SEEALL Academy staff member. This restriction is applicable on or off the school premises at all times during the school day including recess in the yard, field trips, after school programs, school fire drills or any emergency preparedness exercise.

If a student must contact a Parent/Guardian and permission from staff is granted, telephones are available in the main office. Conversely, if a Parent/Guardian must contact a student, they may call the main office at 718-851-8070.

Computing devices may not be turned on or used during the administration of any school quiz, test or examination, except as authorized by the school, or pursuant to an Individualized Education Plan or a Section 504 plan. **THE SEEALL ACADEMY ASSUMES NO RESPONSIBILITY FOR LOST, DAMAGED, OR STOLEN ELECTRONIC DEVICES.**
